Where is the Old Clinic Auditorium??

The easiest way to find the Old Clinic Auditorium (room 4008) is to enter the 4th floor of the Old Clinic building through 2nd floor of MacNider Hall. On the second floor of MacNider Hall near the door that goes to Bondurant Hall there are a few stairs that lead into the hallway of Old Clinic. The auditorium is one of the first rooms on the right after you enter Old Clinic. The map below shows a bird’s eye view of where the auditorium is located.
